City Alderman Endorses Giant Annexation Plan

Alderman Ron Hayter of the City of Edmonton granted the staff writer of The Gazette a brief but informative interview this week regarding his reactions to the recently--issued The Future Of This City.

Mr. Hayter quarrelled with Mayor Ivor Dent when His Worship released the 92-page report on annexation. Alderman Hayter is not opposed to the concept contained in the report but objected to the mayor's way in which he released this important document without showing it to the aldermen.

"It's just bad manners and a very dangerous policy," said Alderman Hayter, "for the mayor of a city to issue an important document of that magnitude without giving the aldermen a chance to peruse it first." He pointed out that the 92-page report contains several embarrassing inaccuracies and these are presently being amended as the whole report is now being studied by the legislative committee of council.

When asked for his reaction to the fact that the 92-page report had been compiled behind closed doors . . in an atmosphere of utmost secrecy, Alderman Hayter said, "it doesn't matter where it was compiled, but it matters to me what it reads like once it's released to the public."

Alderman Hayter agrees in principle with the concept of a metropolitan type government for the designated 300-square-mile city as defined in 'The Future Of This City'. He feels that such a concept is the only answer to most problems confronting the City of Edmonton. Mr. Hayter is convinced that the Metro-type government as conceived in the report will lead to resolving water, sewage, transportation and other problems which are presently unsatisfactory to the City of Edmonton.

Mr. Hayter gave for example the present unsatisfactory water-sewer situation. "We are spending millions of dollars for a water plant which will produce a

Hotelmen Honour Student

The Alberta Hotel Association scholarship of $700 was awarded to 18 year old Walter Meyer of Morinville. Formal presentation was made on September 1st by Ray Gibeau, hotel association member and local businessman.

The son of Mr. and Mrs. August Meyer, Walter was born in Morinville and took all his schooling here. Graduating from G. P. Vanier with his senior matriculation, and an average in the low nineties, Walter will be attending the U of A this year taking a course in Computing Sciences.

Describing himself as a "shy person", Walter told us that he never really became involved with any school activities or groups and his time was spent studying. He credits his good marks to this fact, and says that it was very early in high school when he decided that he would make computers his profession.

In presenting the award, Ray Gibeau congratulated Walter and expressed the hope that this scholarship will aid in bringing forth another competant, well trained professional.

Mothers Day Out resumes next week

The Mother's Day Out program of the St. Albert Help Society will commence another year of operation on September 13, 1973.

Due to a shortage of funds at the end of last year, $3 was donated by each member of the board of the Help Society to enable the supervisor, Mrs. B. Hackett, to purchase necessary supplies The rates will remain unchanged - $1 for the first child and 50¢ for each additional child per family.

The program will run each Thursday from 9:15 a.m. to 3:15 p.m., including school holidays. The children receive lunch plus two snacks and a crafts program. For those bringing babies, it is requested that all food, bottles, diaper bags etc., be labelled.

We again seek the aid of volunteers to enable the program to continue. Would anyone interested in volunteering their time please call Mrs. Betty Lovett at 459-5078.

For reservations call Mrs. Jwaszko at 459-5074.

Cable TV Service Nearing Completion

Capital Cable TV is continuing to extend main transmission feeder lines to St. Albert and according to general manager Jim Shaw, his firm will be ready to start hooking up customers by the end of September.

In a telephone interview with Mayor Ray Gibbon Tuesday, The Gazette has learned that details are presently being cleared by Chief Administrator Dan O'Connell and officials of Capital to pave the way for the ratification of the bylaw covering the franchise agreement.

The bylaw has received first reading and public hearing and now awaits final readings before being ratified. It is anticipated by Town Hall officials that the bylaw will appear on the agenda before the end of the month and will be dealt with accordingly.

Come to the fair Everyone welcome

Following a tremendously successful arts and crafts fair held last year, the St. Albert Arts and Crafts Guild are holding their second annual fair this Sunday at Sir George Simpson School from one until four o'clock.

Displays and demonstrations of work done in the Guild's centre in the Sturgeon Heights district will be featured, and visitors will have a chance to chat informally with instructors and Guild members.

The Fair is also planned to show what other local people are doing in arts and crafts, and St. Albert and district residents who would like to bring samples of work are extended a warm welcome to do so. Arrangements may be made by telephoning Pat de Wit at 459-8505, Peg McPherson of St. Albert will be contributing some oil paintings, pen sketches and a batik to the fair. She formerly taught at the Edmonton Art Gallery and presently is conducting extension classes for adults for the Edmonton School Board.

Coffee will be served and there is a puppet show for the children.

Newer classes on this year's fall program are adult multicrafts and rug making, taught by Linda McPhee; plaster sculpturing, instructed by Carol Watamaniuk and print making, under Linda James.

Other classes include ceramics, preschool arts and crafts, creative drama for children 6 - 9 years, taught by Frank Turner, childrens creative dancing by Christine Marshall, woodworking, model aircraft, puppetry, copper enamelling, oil painting, knitting and crochet, creative stitchery, upholstery, primative weaving and batik.

The Guild is sponsoring a ceramic workshop under the direction of Pierre Guy on September 25-26-27 which will be a concentrated course for adults. Mr. Guy, of the provincial cultural division, was most impressed with the St. Albert ceramics program when he was out to the centre in 1971, when the new gas kiln was installed.

The arts and crafts program will cover two 10 week sessions this year, the first getting underway in October and the second in February, although some ceramic courses go through 15 weeks. Total registrations last year numbered 1003, up about 350

Some residents of the area objected to the Sturgeon MD passing a 'no shooting bylaw' recently. Main reason for the ratification of the bylaw was to protect livestock and property against vandals. The sign above is just an example of the willful damage caused to public property by amateur 'hunters' who roam the rural roads, especially during hunting season.

Annexation Plan Endorsed

sufficient volume for the City of Edmonton and surrounding communities. This facility is being paid for by Edmonton taxpayers and some of the water is in turn being sold to such centres as St. Albert. True enough, we are making money on the sale of the water, however, would it not make more sense if this gigantic water plant were built and paid for by all ratepayers of the proposed metropolitan area and not solely by Edmonton taxpayers?"

Mr. Hayter fails to see why St. Albert, and other surrounding communities resist to strenuously the Edmonton City annexation bid. "We must have room in which to expand," Alderman Hayter said, "and mapping out a 300-square mile area, surrounded by a green belt is the only answer." He gave for example the City of Calgary where more than 300 square miles of land were annexed for future expansion and reports that the Stampede City is getting along just fine.

Alderman Hayter argues that St. Albert and Sherwood Park would not exist if it were not for Edmonton. "We provide the jobs for over 90 per cent of the residents of those two centres," Mr. Hayter said, "and they pay their taxes in St. Albert or the County of Strathcona." That's no way to build a country, let alone a city he said. How about all those people using our streets and avenues, our schools, our transportation facilities, etc? Edmonton is paying the shot and those outsiders are availing themselves of our amenities. That is why I feel so strongly about annexing the whole area into one giant metropolitan unit, where everybody pays his fair share and there are no problems of duplication of services.

Before interview time was over Alderman Hayter did admit that a giant metropolitan multi-seat city may not be the ultimate in all things, however, he suggested that at the moment, an all-encompassing unitary type government controlling a 300 square mile area described in 'The Future Of This City' is the best proposal so far and hopes it becomes a reality.

"However," Alderman Hayter said, "if someone can come up with a better idea, I'd be the first one to suggest that we give any alternative a good look . . . but at the moment our 92-page proposal entitled 'The Future Of This City,' with a few slight amendments, looks good to me."

Enrolment Up At Grant MacEwan

The number of students attending Grant MacEwan Community College is expected to increase by nearly one third this year while enrolments at the University of Alberta and NAIT will remain about the same as last year.

Dick Balchen, newly-appointed registrar at Grant MacEwan Community College says he expects about 1,500 full-time students to register at the College for the fall trimester this year compared to 1,056 last year.

Doug Burns, assistant registrar at the University of Alberta, says he expects between 17,500 and 18,000 full time students at the university this year. Last year there were 17,757 students registered.

L. C. Semrau, registrar at NAIT, says he has received the same number of applications as last year. Total enrolment will again be between 2,800 and 3,000 students.

Enrolment at the University of Alberta has fallen from a record high of 18,553 in the 1968-1969 academic year. Mr. Burns says there has been a "slight upturn" in the number of new student applications at the university.

"Elimination of the Grade 12 departmental exams seems to have resulted in more students meeting our requirements," he says, Mr. Burns says university enrolment has fallen off because "students are looking for educational opportunities leading to job placement. It became obvious that the function of the university was not to guarantee job placement. Students are looking for other alternatives, such as Grant MacEwan Community College or NAIT."

Mr. Semrau says there are vacancies in about two-thirds of the courses offered at NAIT, but applications for enrolment in other programs were being turned down because of lack of space.

Indications are that enrolment in part-time and evening courses offered by the Continuing Education Division of Grant MacEwan Community College will show a dramatic increase.

This fall 1,300 part-time students are expected to enrol at the College compared to 684 last year.

from 1971.

While many classes are held right at the Arts and Crafts Centre the Guild also makes use of schools, the library and the clubhouse facilities through the joint use program in St. Albert. Upholstery classes are at St. Albert Upholstery premises. The Guild is largely self supporting and has raised considerable funds through projects and ceramic sales. It is assisted by the Town Recreation Department, which originally provided the building for the centre and supports the children's classes to keep fees in range for all families. Adult fees cover the costs of their courses.

Registration forms and class outlines will be available at the Fair for those not on the Guild mailing list. Further information may be obtained from Guild Co-ordinator Lois Folkins at 459-7344 or from the Recreation Department at Town Hall.

Szotts enjoying resort business

John and Gerry Szott have sold the St. Albert Upholstery store on Perron street after 13 years in business in St. Albert. The Szotts started in St. Albert in 1960, coming from Jasper Place. Both had previously worked at Canadian Bedding.

The business has been taken over by two former employees, Joe Marsi and Frank DeNapoli, who will operate under the same lines, and continue with the standard of service which made the business a very successful one for the Szotts.

John and Gerry are now operating a fishing resort at Mink Lake, 30 miles west of Edmonton. In fact it has become a family affair with daughters Cheryl, 17, and Peggy, 15 and son Jackie, 12, helping out a good deal during the summer. They have begun school in Stony Plain and all of the family are thoroughly enjoying their new life style, which is a good improvement from the stand point of Mr. Szott's health. The Szotts retained their building across from Imperial Lumber in St. Albert.

The lake property they purchased can accommodate about 200 campers at present, with some five acres developed out of 16. They have 20 fishing boats and the lake has a speed limit of eight miles per hour. Perch and northern pike are the main attractions. Mr. Szott is clearing and levelling more of the parcel, which is all grassed and ideal for attractive camping sites, and putting in sand for a swimming area. A barn in good condition is being converted for winter use, when ice fishing and snowmobiling will attract visitors. Plans are to operate a summer concession booth from the building next year as well.

"It is both fun and challenging - and something completely different for us," said Gerry when she stopped in Tuesday, looking tanned and fit.

On opening day September 4, Louis Bragenstroth, owner of Louis' Shoe Clinic located in Grandin Shoppers Mall welcomed many new customers. When the Gazette photographer dropped in to say hello, Louis was waiting on Mrs. Rollie Anthieren of R.R. 1 St. Albert.

Health Unit offers preventive service

The Sturgeon Health Unit would welcome more volunteers to work with the well baby clinics and school visitation programs in St. Albert and the MD of Sturgeon. The volunteer program was introduced by the health unit two years ago and women wishing to get involved in community service work have found it an interesting field. Nursing training is not a requirement and uniforms are provided. Some who were assisting have moved, and the volume is increasing, so that new people would be welcomed. Anyone interested may telephone the Health Unit at 459-6671.

Readers, and particularly those new to St. Albert, are reminded of the clinics for four year old children, in which children are tested for any kind of problem which might hinder them when they start to school. Hearing, vision, speech, muscular coordination and so on, are checked, with the objective of getting any problems under control before the child begins school. Appointments can be arranged by telephoning the Health Unit.

The medical officer of health, Dr. Jim Howell has his own particular fitness program going, albeit an enforced one. Since the health unit moved its administration office and speech therapist to the premises formerly occupied by Dr. Venne in the Associate Medical Clinic building on St. Michael street he is making anywhere from five to ten trips a day from one building to the other.

Senior public health inspector, Ken McAmmond, who chaired a special committee to investigate health hazards caused by the lack of public washrooms in shopping centres, advises that a report has been completed and is presently under consideration by the Provincial Board of Health. The major recommendation is that all shopping centres or mall owners or developers must provide washroom facilities open to the public, and the report sets forth desired standards, in accordance with studies done by the committee on washroom requirements in a number of cities across Canada.

New Ground School Trains Young

Harold Mayhew checks over some of the visual aids used in the Safety Council's Drivers' Ground School.

Bad driving habits are like congenital diseases. They get passed on from generation to generation, the chairman of the Safety Council's Traffic Committee believes.

Harold Mayhew is concerned about this 'driving disease' problem both in his volunteer work with the Alberta Safety Council and in his capacity as superintendent of the Civic Garage Department for the City of Edmonton.

"Once a bad driving habit or attitude has been learned, it takes a lot of effort to unlearn it," Mayhew warns. Among its other responsibilities, the Civic Garage Department tests and keeps records of all drivers of city vehicles.

"I think parents who try to do their own driving lessons for their youngsters are making a mistake," he says. "Too often they are passing along those mis-conceptions bad habits and poor attitudes they either learned from their own parents or collected along the way. Without knowing it, these parents may be infecting their children with a kind of deadly disease," he believes.

Mayhew is convinced that the best way to stop the spread of this 'driving disease' is to put driver training in the hands of licenced professionals. "A complete driving training program is a systematic approach to the learning of a very complicated task. Too much gets overlooked when this training is undertaken by amateurs."

At the request of professional driving schools, the Safety Council has developed the Drivers' Ground School, a classroom course for student drivers which is designed to fit in with the in-car training program given by these schools. Mr. Mayhew's Traffic Committee has been responsible for overseeing this development.

"Since this program was introduced two months ago, more than 20 students have enrolled," Mr. Mayhew reports. "This response has been most gratifying."

Drivers' Ground School contains 10 hours of classroom work. It is conducted by the Safety Council at its offices in Calgary and Edmonton. A nominal charge is made to cover the cost of instruction and materials.

"As the Safety Council is a non-commercial, non-profit public body, we are able to open this classroom course to the students of any licenced professional driving school," Mr. Mayhew explained.

Drivers' Ground School leads the student driver in easy steps to an understanding of what good driving means. The course gives reasons for developing and practising the good driving habits being demonstrated and taught by the in-car instructor. It is designed to shape attitudes toward other drivers, driving conditions and traffic laws.

John Frost appointed St. Albert Assessor

John C. Frost, A.M.A.A. was appointed town assessor effective September 1st. Mr. Frost is an accredited municipal assessor in Alberta and a candidate member of the Appraisal Institute of Canada. He is also a director of the Alberta Assessor's Association.

Mr. Frost is not a newcomer to these parts since he served four years as assessor in the area south of Edmonton and was appointed assessor in St. Albert from 1967 to 1970 by the Department of Municipal Affairs.

His duties here in St. Albert as full-time assessor/appraiser includes the annual assessment, supplementary assessment and he will be conducting the forthcoming general assessment starting next year.

Mr. Frost is married and he and his wife Lois have two children, Douglas 8 and Shelley 5. Mr. and Mrs. Frost and family are presently living in Edmonton but are making plans to move to St. Albert.

The back-yard clamor was something terrible until we packed all four kids off to camp," said the weary mother. "Then later we remembered we have only three."

Army Cadets Schedule Sept. Recruiting Drive

The Honorable Neil Crawford, minister of health and social development, met with Cadet Warrant Officer Alan Smith, 1809 Loyal Edmonton Regiment Army Cadet Corps and Capt. William Hunka of the 8th Field Engineer Regiment Army Cadet Corps, to discuss the upcoming Cadet recruiting program and activities for the Cadet year.

Cadet Warrant Officer Smith has been with the Cadet Corps for three years and hopes to become a training instructor soon.

Capt. Hunka, who resides in St. Albert, as do some of the Cadets now in the Regiment, is a teacher in the City of Edmonton, and is the third commanding officer the 8th Field Engineer Regiment has had since its inception six years ago.

Mr. Crawford was informed by Capt. Hunka that the 8th Field Engineer Regiment Army Cadet Corps will begin its recruiting program on Thursday, September 6 from 7 p.m. - 9 p.m. at Notre Dame School, 15425 - 91 Avenue in Edmonton. Recruiting will continue every Thursday evening throughout September and those wishing to enlist are asked to come to the school in person. The Cadet Corps welcomes boys 13 - 18 years of age. The boys must also successfully pass a physical examination.

The Honorable Mr. Crawford, who was himself a Cadet in Saskatchewan, was impressed and interested in the changes which have taken place in the Cadet program.

There is, besides the military training, a program of citizenship and career activities in which the boys are given an insight into professions, industries and their historical heritage by being given tours of various industrial, professional and historical establishments in the city and the province. More of these trips are planned for the 73-74 season.

This year, there is the addition of the Drum Corps for those interested in such a pursuit. It looks like a busy and interesting year ahead for the Cadets.

Alberta All-Girls Capture Europe In 5-Week Tour

Kaeltie Aho of Edmonton, Alberta All Girls Drum and Bugle Band lead snare drummer poses in front of one of the last remaining windmills in Holland. This picture was taken August 2 when the band performed at the Wine and Cheese Festival near Amsterdam.

The world-famous Alberta All Girls Drum and Bugle Band will arrive at the Edmonton International Airport Thursday, September 6 at 1 p.m. The 130-girl troop left on their 1973 invitational return tour of Europe July 27 and have been receiving glowing reviews wherever they performed. An official reception is scheduled for the famous musical ambassadors at the southwest corner of the main floor of the terminal upon arrival.

Among the 130-member touring group are five young ladies from St. Albert: Jill Plasteras, Pam Innis, Maureen Riddell, Cathy Chiles and Eilleen Gleason.

Special arrangements with the British and Irish Governments have allowed their Air Canada Charter Flight to bring the 130 girls from Shannon, Ireland rather than as originally scheduled from London. The final few days in Europe will include performances for the International Rose of Tralee Festival in County Kerry, Ireland.

Exceptional talent has been further developed this season in the band, with an original arrangement of "Amazing Grace" written by Maureen Riddell of St. Albert especially for their performance at the Edinburgh Highland Games last week. (Aug. 18).

Letters home state, "The people love us everyhwere we go!"

Mrs. Pat Nagel, wife of the director, Bob Nagel, writes, "The girls are literally storming the country! Offers are flying in to return again next year!"

Mr. Robert Bottenheim, manager of the Vienna Boys Choir for 22 years, has requested they return and allow him to book an extensive tour for 1974. Other invitations include the World Soccer Championships and the 1974 World Fair at Spokane, Wash.

The girls have been thrilling audiences at the Eiffel Tower in Paris, Wine and Cheese Festivals in Holland, the Grand Place in Brussels Bonn, Glasgow, London. At Dunoon Sports Stadium in Scotland, the people awarded the girls a five minute standing ovation.

Official receptions were given the band by Mayors and Canadian Ambassadors in Germany, Belgium, Holland and England have been special highlights for our young ambassadors of goodwill.

School Trustees React To Juggled Tax Bylaw

Trustees of the St. Albert Separate School District No. 6 commented on a letter from the town office regarding the 1973 tax levy and homeowner education tax refund.

The letter was in reply to a query from the No. 6 Board indicating displeasure with the town's taxation structure as adopted July 3 when bylaw 23/73 was ratified. St. Albert's Separate District Board registered its objections to the town adding a 10 per cent margin on the education levy and a corresponding levy reduction on the municipal portion of the tax structure. This was the point of contention which provoked the letter to town council from the school board.

In council's reply, R. B. Bowen, secretary-treasurer of the town attached a letter describing in detail the full impact of the 10% charge on the average St. Albert homeowner and desirable results in view of homeowner education tax refunds. Mr. Bowen further explained to the school board that the attached information has been mailed to all St. Albert homeowners along with tax notices

Chairman of the board, Charles Schroder asked the trustees if they had comments to make, after the letter from town council had been circulated. Trustee Don Munro expressed the view that the letter, circulated with tax notices was informative and "explained the whole situation very clearly."

Trustee Bill Webber said "that was a devious way for town council to lower its municipal tax levy at the expense of the school districts. The scheme may appear to be fine as far as tax dollars are concerned that we (schools) are running a more costly operation."

Voice on telephone: "How are you doing this morning, Sweetie?"

"Just fine."

"Oh . . . I must have the wrong number."

Mr. Joe McLeod of Savoy Place was successful in getting action on the sorry state of trash behind Sturgeon Plaza which is pictured here. Failing to get any response from phone calls to Town Hall, he contacted the Gazette and the Senior Health Inspector of Sturgeon Health Unit. The plaza manager was contacted and acted promptly to clean up the mess.

Thank You

The First St. Albert Rangers wish to thank the many people and organizations who helped make their trip to Ten Sleep, Wyoming a successful and enjoyable venture. Thanks go to 4th and 9th Brownie Packs, 3rd, 4th, 6th and 7th Guide Companies, the Land Rangers, Sturgeon, Mackenzie and Grandin district association, the St. Albert Camp Committee and the Guide Division. Our sincere appreciation also to the Lady Lions and the St. Albert Kinsmen. Special thanks goes to the Town of St. Albert which made a considerable donation, and to the Garvin family for the handmade Wyoming Trek crests, and to Mrs. Garvin for her valuable assistance in encouraging the trek.

And we are indeed grateful to the many local people who supported our projects and individuals and organizations who helped us financially. Without this community help this wonderful guiding experience would not have been possible.

Separate Schools Bids For Akinsdale Site

A considerable amount of discussion evolved from the Buildings and Property Committee report at the Separate School Board meeting last Wednesday.

Chairman of the committee Trustee Dr. W. Cuts said the new and proposed school site in Akinsdale appeared to be quite suitable however he indicated that terms for its acquisition were quite vague and recommended that clearly defined terms be established. Trustee Don Munro voiced the opinion that the Akinsdale site be made available via a clear title, fully serviced for the token price of $1. Mr. Munro added that his views on the matter are exactly those recommended by the ASTA including the clause whereby said lands, if not used for a school site be not turned back to the town.

Chairman Charlie Schroder concurred with trustee Munro and reminded his colleagues that the town has approved in principle to take over the site and pay improvement costs providing said lands return to the town if not used as a school site.

After further considering the issue, Chairman Schroder said he was willing to make a motion that the town transfer the Akinsdale School site, fully serviced and no reversion clause for the token sum of $1. The motion was carried 4-0. Trustee Wiltshire was absent for this meeting.

Chairman Schroder remarked, after his motion was carried, that the St. Albert Separate School System already has two sites on which to build "and we can't even get permission to build a school." He concluded his reflection by saying, "so what's our hurry to acquire another site?"

This last remark by the chairman came in the wake of a recent refusal by the School Buildings Board to accept a certificate of need.

St. Albert Shows Well At Garneau tourney

In the Garneau Invitational tournament held last weekend the five St. Albert A players who entered all did very well. Betty Ontkean and Judy Wood won the ladies doubles defeating top seeds Pauline Ingall and Bev Richard of Royal Glenora 6-2, 6-4 in the final.

Betty Ontkean and Fred Rudolph reached the finals in the mixed doubles, and were defeated by top seeds Max Jean Louis and Isabel Piasecki of Garneau Club. Clark Warren and Fred Rudolph in the mens doubles defeated the top seeds in a close semi-final, but were taken out by the Garneau pair of Peter Teasdale and Ray Tomusiak in the final.

About 10 St. Albert B players are expted to be entering the Hillcrest tournament this coming weekend.

The top two juniors in the St. Albert club were determ- tournament held by junior co-ordinator Al Hoge. They are newcomers Phil Kemp (age 15) and Cassie Kemp (age 13) welcome additions to the St. Albert Club. In the double elimination boys singles event Phil defeated Stephen Kirk in the final.

In the round-robin for girls singles Cassie defeated both Karen Dunik and Pam Hill.

Club members are reminded of the final party to be held Friday, Sept. 14 at Ridgewood Terrace. Please call Cynthia Sage or Lorne Wood by Wednesday, Sept. 12 if you are interested in attending.

Lacrosse boys paper drive

The St. Albert Lacrosse Club is organizing a paper and bottle drive of grand proportions that will blanket the whole of St. Albert on Saturday, Sept. 15.

The boys that played Lacrosse, their parents and coaches, will be meeting at Grandin Park Shopping Mall at 9:30 that morning and all the boys are reminded to make a special effort to be there.

Chiefs take second at Lac La Biche

Calahoo Chiefs lost 8-7 to Handy Andy's of Edmonton in the final game and had to settle for second place money in the 16-team Lac La Biche fastball tournament

Chiefs down 8-2 after three innings battled back to tie the game in the last inning but an unbelievable interferance call by the umpire cancelled the run and gave the game to Handy Andy.

Chiefs won there opener Saturday 9-0 over Barrhead with Ed Kachowski throwing a no hitter. Erwin Rothweiller had a homerun.

ler had a homerun for the Chiefs.

Calahoo's second game netted a close 6-4 win over Wetaskiwin with winning pitcher Dick Bird helping out with a two run homer.

Bird also pitched the semi final (6-2) against Beauvallon and contributed two singles. Emile Berube had a homerun.

ST. ALBERT BANTAM FOOTBALL

After many years of trying, a St. Albert team has finally been accepted into the Huskie Bantam Football League.

The Avengers, under coaches Rick and Barry Suggitt and Jim McBain have put together what appears to be a strong 28 man squad.

The team led by Sean Kehoe with three touchdowns won their first league start Monday with a 20-0 shutout over the Razorbacks.

Avengers play every Sunday for the next six weeks with the schedule as follows:

Sept. 9 - Coronation Park - Seals 12:30 p.m.

Sept. 16 - Coronation Park - Wolverines, 12:30 p.m.

Sept. 23 - Kinsmen Park - Warriors, 2 p.m.

Oct. 7 - Kinsmen Park - Bees, 11 a.m.

Oct. 14 - Kinsmen Park - Wings, 12:30 p.m.

A literature class had composed a questionnaire on film censorship, and one elderly woman was asked if she thought there was too much sex and violence in the movies today. She replied that as she always sat in the front row she never noticed what the rest of the audience was doing.

Steve Ozipko of Legal doffs his hat to the 15-pound Northern Pike he pulled out of Narrow Lake, 18 miles south and eight miles west of Athabasca. Steve was fishing with Sam and Josie Nazaruk of St. Albert, and Bill Tymoschuk of Waugh, when he got this beauty, which measured 36 inches in length. Steve only got interested in fishing about two years ago, but with a catch like this and now that he has retired from farming this summer, he has become an ardent fisherman. Can anyone report a bigger pike this year?

On July 31 the Alberta All Girls Drum and Bugle Band performed in the shadow of the Eiffel Tower in Paris. Although this was a very successful performance for the 130 Alberta girls, they scored many more victories during their five-week tour of western Europe. They have already received invitations for 1974 but are not decided whether they will make a third tour of Europe or participate in Drum Corps Competitions in North America.

ST. ALBERT RECREATION HIGHLIGHTS

SWIMMING:

The pool is still open! The weather (at the time of writing) is beautiful so why not take advantage of what is hoped will be an Indian summer and swim while you can.

The present schedule includes public swimming each weekday from 4 - 6 p.m. and from 7 - 9 p.m. with family swimming from 6 - 7 p.m. and from 9 - 10 p.m. teen swimming on Monday, Wednesday and Friday and adult swimming on Tuesday and Thursday. The weekend schedule is the same as during August. This schedule will be in operation till Sunday, Sept. 9. From Sept. 10, adjustments may have to be made. It is possible that the 4 - 6 p.m. public swimming session will be cancelled unless attendance justifies the less attendance justifies its continuation. At the moment the attendance is very low although it provides children with an opportunity to enjoy an after-school swim.

There is still a box of personal belongings lost and found at the pool. They will be disposed of if not claimed before the pool closes.

HOCKEY:

Registrations for the minor hockey program, sponsored by the St. Albert Kinsmen Club in co-operation with the Department of Parks and Recreation, will be taken at the Clubhouse (beside the swimming pool) on Saturday, September 15 between 9 a.m. and 12 noon.

It will also be possible to pre-register at the St. Albert Sportshop from Saturday, September 8 till Saturday, September 15. Forms are not being distributed through the schools this year but can be picked up at the Sportshop and will be available on the day of registration. It should be noted that they must be signed by a parent of guardian.

The fees are $7 for Shavers, $10 for mites, peewees and bantams and $13 for midgets and juveniles. The family rate covering all categories is $20.00.

Y NEIGHBORS:

Calling all ladies! Does the prospect of winter bother you? It needn't. You can join the Y Neighbors and get out for a couple of hours each week, meet people and have a keep-fit session followed by coffee and a varied program of talks, demonstrations, crafts, etc. Though mainly for mothers with preschoolers, all ladies - with or without little ones - will be welcome.

Sponsored by the YWCA this program will start on Monday, Sept. 17 in the Community Hall on Perron street at 9:30 a.m. and registration will take place then. The cost will be $11 for 12 weeks with an additional $2 for each child to cover the cost of juice, cookies and crafts. The children are looked after in the basement of the Community Hall while the mums and their friends enjoy their own program upstairs. Babies should be brought in car beds or collapsible cribs.

Mrs. Christine Marshall will be the "leader" of the Y Neighbors' activities and further information may be obtained by phoning the Y at 422-8176.

LADIES NIGHT OUT:

The first ladies' night out, sponsored by the YWCA will be held on Thursday, Sept. 27 in Father Jan School, Mission Avenue, from 8 - 9:30 p.m.

This 10-week program is planned to give ladies an opportunity to indulge in some physical activities each Thursday evening with games of volleyball and/or basketball following a session of keep-fit or warm-up exercises. Mrs. Bonnie Childs will act as "guide" during these evenings and the cost will be $7 for the 10 weeks.

SYNCHRONIZED SWIMMING

The Edmonton Aquadettes are one of Canada's foremost teams of synchronized swimmers. Anyone interested in joining them should phone Mrs. Loretta Patterson at 459-8435. They train at Victoria Composite High School and Coronation Pools and beginners should have attained the Red Cross Intermediate level.

OTHER RECREATION ACTIVITIES

Announcements about recreational activities being carried on in St. Albert appear in this column through the courtesy of the Editor. Watch out for announcements about registration for other programs for children and adults which will be starting shortly, at present accommodation is being "juggled". In the meantime, information can be obtained by phoning the Department of Recreation at 459-6601.

Mobile Home Becoming Dwelling Alternative

The Alberta Housing Corporation has announced recently the availability of $1.7 million to finance the development and improvement of mobile home parks in Alberta These funds are expected to be substantially increased next year.

J. R. Lansky, who heads the corporation said: "We are giving top priority to the implementation of the mobile home development program." Mr. Lansky added that a few years ago, mobile home living was considered transient and the needs of mobile home dwellers were practically forgotten. "Today," he said, "with our spiralling cost of conventional housing, we feel that factory-produced housing may be one of the alternatives to stabilize the rising costs."

In November 1972 an order-in-council was passed in the legislature empowering the Alberta Housing Corporation to loan money for the development of mobile home communities. Municipal Affairs Minister Dave Russell will include mobile home legislation in the new Provincial Planning Act, expected to be introduced to the legislature this fall.

According to the newly-defined mobile home park legislation, the difference between a mobile home park and a trailer park subdivision is that a mobile home park is a registered parcel of land under single ownership which has been planned and improved for the placement of mobile homes for non-transient use. A trailer park subdivision is a development registered as a subdivision containing lots under either freehold or long-term leasehold tenure.

A group, including major builders, mobile home dealers, home site developers in Alberta as well as home owners, provincial government and urban and rural municipal association officials met recently with the Alberta Housing Corporation officials to draft regulations on development of mobile home parks. The AHC already lends up to 90 per cent of the appraised value of individual mobile homes.

According to a survey conducted by the Canadian Mobile Home and Travel Trailer Association, one out of every five single-family housing starts in Canada involved a mobile home.

The association defines the term "mobile home" as the ultimate in pre-fabrication being manufactured and furnished completely under controlled conditions at the factory and transported for use to a site for year-round living. According to CMHTTA, during 1972 single-width mobile homes shipped to Alberta numbered 3,419. Financing, according to the Canadian Consumer Loan Association and the Federated Council of Sales Finance Companies, the main source are chartered banks and finance companies.

It would appear, according to CMHTTA, chartered banks charge less interest than finance companies but on the other hand, their down payment requirements are higher than finance companies. The CMHTTA study gives for example: A $10,000 mobile home financed through a chartered bank requires 25 per cent down payment with interest at between 10.8 per cent to 12 per cent. Meanwhile, the same mobile home purchased through a finance company requires a lower down payment (15 per cent) but the interest rate averages 13.25 per cent.

The study also reveals the largest age group living in mobile homes (36 per cent) are 45 years and older and the largest occupation group has as its male family head employed as a skilled or unskilled worker. By income, the largest number of mobile home dwellers earn between $5,000 and $7,500 per year.

Elk Hunters Urged

The current elk hunting season gets underway today (Wednesday, Sept. 5) for approximately 20,000 Alberta hunters.

Although most bull elk seasons continue for two months or more, hunters are reminded that cow seasons are much shorter in most wildlife management units or totally restricted in others. Hunters are urged to check the 1973 regulations carefully before heading out on a hunting trip.

A trophy bull is defined as a male elk bearing antlers whose main beams project four times and measure not less than six inches in length. Hunters should check the diagram shown in the 1973 summary of regulations.

Sportsmen are reminded of the voluntary elk registration program. Successful elk hunters are requested to bring the incisor teeth to the nearest Fish and Wildlife office, thereby enabling the compilation of the age, structure of elk herds plus the number of animals killed.

'Evergreen' Is A Community Not A Trailer Park

Evergreen Mobile Home Community located immediately northeast of the Alberta Hospital is not a trailer park and the mobile homes located therein are not trailers.

Bill and Hilda Weeks, managers of Evergreen Mobile Home Community are quite emphatic about spelling out the difference between trailer parks and mobile home communities. They are also very vocal when anyone dares refer to a mobile home as a 'trailer' because they are also 'very different.'

"Trailer parks," Bill Weeks explains, are the old concept of stacking trailers side-by-side, hooking these up with water and power and letting that type of a jungle survive as best it can." That is not what we have here at Evergreen, Bill Weeks says, and a quick drive throughout the mobile home community, via hard-surfaced avenues will quickly dispell any misconception a person may have had.

Evergreen Mobile Home Community was conceived and developed by Joe Sheckter and Paragon Properties (Northern) Limited, both of Edmonton. The land involved in the present phase 1 of the mobile home community includes 256 pads measuring from 40' x 80' to 55' x 140'. Rents vary from $65 to $80 per month and this includes water, sewage and garbage pickup twice weekly. Residents pay their own natural gas, electrical power and telephone.

Phase 1 of the development where the 256 pads are located occupy 37 acres of land on which are set 6.8 pads per acre. The remainder of the development area has been dedicated to avenues, crescents and play areas. At the main entrance to the mobile home community, a generous area has been set aside for a commercial development. In this shopping centre will be a supermarket, a drug store, a bank and a post office among other commercial outlets, designed to serve residents of the mobile home community.

Each mobile home can be termed a luxury residence on wheels. Although it is mobile in nature, tenants have a tendency of staying on a permanent basis. Bill Weeks, co-manager of the community said of the 132 pads presently occupied since February when the park opened, only six have moved because of company transfers and six new arrivals have taken their place.

"Our citizens are not transients," Mr. Weeks said, "they are stable family folk who have long-range plans for this community." He explained that this concept was made very evident when recently judges toured the 132 occupied pads on the merits of improvements and awarded nine prizes. A first prize a second and seven thirds were awarded to tenants who have sodded their mobile home pads, used picket fencing, built skirting and in some case even put up attractive porches and lawn ornaments.

Prizes for the mobile home beautification contest included a month's free rent going to the first prize winner, half a month to the second and all seven third prize winners will be treated to a night-out with Hilda and Bill Weeks and will be wined and dined at a special night-spot of their choice.

"There's a wonderful community spirit here at Evergreen," Bill Weeks told The Gazette, "everybody is most co-operative in contributing towards making this community a most pleasant and peaceful place in which to live." He explained they have no party and heavy drinking problems, the youngsters are well behaved, there's no serious fast traffic situation, to the point where the RCMP from Fort Saskatchewan are rarely if ever called upon.

At present, residents of the community are organized into a local league via which they plan socials for adults as well as for youngst ers. "We have an active recreation director," Mr. Weeks said, "and he will be kept busy assisting winter sports these coming months on our two outside rinks presently being planned." Mr. Weeks also showed where residents hold their gatherings and social functions in the community's 45' x 60' recreation centre, equipped with a modern kitchen, piano and all the amenities required. "We also hold Sunday School here every Sunday morning," Mr. Weeks said.

When he showed off the laundryroom located in the same centrally-located community centre, Mr. Weeks said this facility will later be moved into the commercial complex and the laundry room will then be converted into a kindergarten and play school. "It will also be an ideal room for the Sturgeon Health Unit when they come every month on routine immunization visits," Mr. Weeks said.

Immediately northeast of the present phase 1 of Evergreen Mobile Home Community is the 'green belt' demarkation corridor of 100 feet in width. Beyond this green belt will be phase 3 of the development where about 300 pads will be located. Before this phase 3 is developed Mr. Weeks explained, phase 2 located west of the present development site will probably be the next area to be developed where 250 pads will be located.

No date has been set on the other phases of the development.

RCMP Blotter

AUGUST 22 TO AUGUST 28

AUGUST 22:

12:55 a.m. - A peeping tom was reported to police and subsequently investigated. Evidence was found which indicated that someone had been peering into a St. Albert residence, however, the undesirable was not located. Police are on the lookout for the culprit.

8:40 a.m. - A juvenile was reported missing and was found by police at 9:24 p.m.

11:40 p.m. - A hit-and-run was reported and investigated by RCM Police. No arrests have been made. Investigations are continuing.

AUGUST 23:

9:45 a.m. - Police investigated a report of an abandoned vehicle on a parking lot in St. Albert. Further investigation revealed the vehicle had been stolen in Morinville August 13. No arrests.

1:15 p.m. - Police responded to a call at the Namao corner where a two-car collision occurred. No injuries resulted and no charges were laid.

7:14 p.m. - A St. Albert citizen reported a bicycle stolen from the family residence. Police took down details, including the serial number and the information was relayed to RCMP headquarters where the data was fed into the national computer.

10:56 p.m. - A few minutes before closing time, a disturbance in a local pub was reported. Police found a customer therein, and discovered he had recently been discharged from the Alberta Hospital. The patient was escorted back to the institution without incident.

AUGUST 24:

12:10 p.m. - A report was filed by a St. Albert citizen who complained of prowlers around her home and suspected milk-money thieves.

3:20 p.m. - A St. Albert citizen complained to police of being solicited by a questionable transient salesman who claimed to be affiliated with reputable Edmonton firms. Investigation showed the salesman was part of a quick-buck sales force operating under false pretenses. Investigations are continuing.

A letter of thanks was received by the St. Albert RCMP detachment from Mr. William J. Younger who successfully conducted a search for the son of the Youngers. The lad was found in a ravine suffering with a broken leg. Const. Maynard dispatched the lad to hospital in Edmonton via Smith Ambulance. The Younger family, in their letter to the RCMP, expressed their sincere gratitude.

AUGUST 25:

1:30 a.m. - Missing juvenile, found following a search at 2:05 a.m.

2:20 a.m. - A commercial firm complained to police of the theft of merchandise under $50. No arrests were made but suspects are under supervision.

1:15 a.m. - A complaint was received and investigated by police. The two investigating constables found a number of citizens, all under the influence of alcohol and threatening to cause a house party to erupt into a free-for-all. It seems the host invited a group of buddies to his home and enjoy a 'night cap'. However, the host fell asleep before his guests arrived and a kettle of water he had set on the stove boiled dry and was smoking up the place by the time the guests did show up. In an attempt to clear the place of smoke, and save their host, he di d not take too kindly to the rude awakening and decided to punch his point home. His guests soon cleared up the matter, the host was quickly subdued and by the time police arrived, host and guests were all on friendly terms again. The investigating officers left while all concerned were affectionately shaking hands all-round.

AUGUST 26:

1:45 p.m. - A suspicious person was reported skulking around a construction area. Police promptly investigated No arrests were made.

AUGUST 27:

12:55 a.m. - A complaint was received of a stolen battery from a car parked in a local private parking lot.

1:00 a.m. - A suspect was apprehended after a complaint was filed by two teenage hitch-hikers. One was raped and the other was molested by the suspect. An arrest was made and the suspect is scheduled to appear for plea.

5:30 p.m. - A valuable dog was reported missing and presumed stolen from a resident of the Viscount Estates. Investigating policemen found the dog had slipped his collar and was subsequently returned.

AUGUST 28:

7:38 p.m. - A runaway juvenile was reported by the Provincial Home For Girls. Investigation by St. Albert RCMP revealed the subject had spent the day here in town with friends and boarded the bus back to Edmonton.

8:48 a.m. - 9:16 a.m. and again at 9:40 a.m. police responded to a local bank alarm. In all instances, the calls were found to have been sounded through a defect in the safety system.

10:28 a.m. - Police responded to a call from a distressed motorist who had accidently run over a dog. The pet was turned over to the SPCA. No charges were laid.

Const. C. R. H. Montague of the St. Albert detachment was thanked by Cameron Clive who was involved in a motor vehicle accident recently. Const. Montague was especially praised for the way in which he handled the emergency.

Calahoo and District Report

By Liz McLeod

The Marcel Kerckhofs were happily surprized to have the visit from two couples, George and Mary Lanoue of Tracy and Kenneth and Louise Ruud from Coon Rapids, Minnesota.

They were only here two days and were going on to Jasper when George received a phone call from home saying his father was taken ill and in hospital so that ended the vacation and this foursome headed for home.

Adelard and Melina Paquette had cousins, Add and Ethel Aslin from Spokane, Washington came for a five day visit and since this was their first trip out to Alberta and Calahoo their hosts really showed them western hospitality. They took them to meet all the relatives, Paquette's and Gregiores at Calahoo, Edward and Adrienne St. Louis' and Melina's parents at Picardville the Wrights at Mayerthorpe Uncle and Aunt Theberge at Legal, Ben and Annette St. Louis in Westlock They also visited in Morinville, Riviere Qui Barre and Blue Ridge and Edmonton.

Camiel and Margaret Doolaege and daughter Annie came from their Charolais Ranch in Castor bringing a friend from Holland, to visit at Marcel and Theresa Kerckhof's. Jack and Denise's 4H calves were purchased from this herd and at Vilneneuve got the champion and reserve and grand champion in Edmonton. Marcel brought them over for a short visit at Pete McLeods which was thoroughly enjoyed.

Mrs. Adolina Hammeister from Frobisher, Saskatchewan visited Carl and Lena Bergstreiser and Werner and Toni Christen, staying at Bergstreiser while visiting in the district.

Del and Helen Perkins and family came for a weekend visit to Otto and Audrey Steinkampf's recently. Del and Otto went to Slave Lake fishing while the women and children visited at home. Fishing wasn't the best that day but an enjoyable weekend was spent anyway.

Hector and Laura Boddez accompanied George and Alfonsine Soeteart on a weekend fishing trip to Wabesquan beyond Slave Lake and had a ball recently.

John and Vivian (Butch) Flaherty from Dawson Creek B.C. came home to Wilfred and Dolly Majeau's in Calahoo to pick up their children Kevin, Lori Ann and Jo-Anne who were visiting with their grandparents and Auntie Eleanor and Bill Reynolds for the summer holidays. Their other grandma, Mrs. Mary Flaherty looked after them while Dolly went to Dawson Creek to attend her grandson's wedding.

Marty Rivest was out at the Paquette household for summer holidays visiting with Omer and Edward for a week. Pete and Liz went to see Mr. and Mrs. Joe St. Louis, here to visit their daughter Melina and family. Marty is Melina's cousin Louise's son.

Fred Brown's employment keeps him in southern Alberta these days so his wife Madeline joined him for a week's holiday. While away daughter Sylvia and Lionel Sabourin, Danny, Denis and Carol took over at home and they themselves had a holiday in the process. It gave father and the boys an opportunity to buzz around on their mini-hawk bike. Quite an invention I must say.

John and Addie Thatcher had their son-in-law Jack Wylie and sons Doug and Chris home for a 10 day visit from Sacremento, California. Needless to say Doug and Chris enjoyed grandma's cooking. While here the John Thatcher's celebrated their 48th wedding anniversary so the Wylie's enjoyed the dinner party Addie prepared for a party for 12.

It takes a special occasion to bring families together, and this was the case for Jim and Theda Verbeek on Jim's birthday. Melvin and June came home from Portage la Prairie, Man., Louis and Grace, Jim and Elisabeth Josey and Garry Webber, Lois and Arvon Singer, Leo and Jane, Peter and Calvin, and Audrey and Harold Granger whose wedding anniversary fell the day before, all had a real celebration. This was the first time for a long time they were all home.

Mr. Antoon Verstuyf formerly employed by Marcel Kerckhof, was working in Toronto until city living got to him. He came back and visited at Kerckhof's until he found employment in Edmonton where he is close to former friends in the country.

Mr. Lawrence Callihoo who resides at Evansburg was honored on his birthday recently, when the W. Christen's and J. Verbeek's seniors were among the guests.

The Fred Labonte's of Calahoo had their daughter Dolly and Charlie Scott and children from Vancouver home for a spell. They went to Fort McMurray to visit sister Edith and Leonard Kellar and family and then Edith and girls came down to visit at home. With the rest of the family rallying round Mrs. Labonte enjoyed her birthday on August 20. Daughter Emelie couldn't come so phoned from the West Coast and Mrs. Labonte's brother Jim and sister Lena also came, along with sister Florence, Mrs. T. Lawrence from Calgary.

Henry and Theresa Kaup were driving around the countryside and stopped in at Joe Freitag's for a friendly chat shortly before Joe went to hospital. These old friends and neighbors hadn't visited for sometime and everyone is pulling for you Henry, for a speedy return to good health.

Central United Church scene of summer wedding

By Norma Crozier

On July 28 at Central United Church in Edmonton, Gail Patricia Yanew exchanged marriage vows with John Robert Cameron. Gail is the daughter of Mrs. Mary Yanew of Edmonton and Bob is the son of Don and Carmen Cameron of R.R. #2 St. Albert. The double ring ceremony was performed by Rev. Martin.

Coming down the aisle on the arm of her brother-in-law, Mr. Jack Easton, the bride was radiantly lovely in her gown of white sheer over satin, featuring an empire waist, high neck and short sleeves. Her gown ended in a long train. She wore a pill box hat covered with yellow and white daisies with a short veil and carried a bouquet of red roses and yellow and white daisies.

The bride's attendants were Miss Karen Pyrcz, maid of honor and bridesmaids, Miss Debbie Yanew, sister of the bride and Miss Judy Poole. They wore identical halter dresses with capes, in plaid yellow, beige and blue, and carried bouquets of yellow and white daisies, roses and small sprayed mums.

Attending the groom were Mr. Ronald Crozier, best man and Mr. Bob Hewitt and Mr. Roger Webb as groomsmen. The groom and his attendants wore brown tuxedos complimented by yellow frilled shirts and black velvet bow ties. Ushering the guests were Mr. Michael Snider and Mr. Malcolm Stone.

To receive their guests at the Scandinavian Centre The bride's table was centered with a four tiered wedding cake and white tapers.

Mr. Harold Paul acted as master of ceremonies and Mr. Jack Easton proposed a toast to the bride.

After a honeymoon trip to the West Coast the newlyweds will make their home in Edmonton.

MR. & MRS. JOHN CAMERON

Mrs. Yanew chose a blue sheer print floor length gown with long sleeves and a sleeveless matching coat complimented with a corsage of pink roses. Mrs. Cameron wore a long gown of yellow sheer print with long sleeves and a corsage of talisman roses.

Following the wedding a reception and dance was held

LEGAL LOCALS

By Lucienne Montpetit

The Associate Medical Clinic will be coming to the office in Legal on Thursdays instead of Friday. The change of days is effected immediately.

There's been quite a bit of moving around during the weekend. Mr. and Mrs. Roland Demers moved in their new home north of the laundromat, Mr. and Mrs. Adrien Pelletier purchased Roland Demers house and moved there while Mr. and Mrs. Raymond Huot moved in Mr. Pelletier's house. Mr. and Mrs. Henri Garneau also moved in their home. We are also glad to welcome back Mr. and Mrs. Ed Garneau who have come back after living in Morinville for a year.

Mr. and Mrs. Henry Charrois have moved to Falher. Henry will be on the teaching staff there. Mr. and Mrs. Ronald St. Jean have moved to Vermilion where Ronald will be teaching this term. Good luck to you both.

Congratulations and best wishes to Mr. and Mrs. Raymond (Butch) Hills who were married on August 25 in Vimy. The happy couple will make their home in Legal.

Mrs. Marilyn Fizer was very happy to see her sister and brother-in-law, Mr. and Mrs. Geb Hardt from Germany. Marilyn hopes to see more of them now that they are transferred to Chilliwack B.C.

Mr. and Mrs. George Montpetit, Mr. and Mrs. Octave Prefontaine and Mr. and Mrs. Euclide Villeneuve have returned from a salmon fishing trip in B.C. They returned by Kelowna to visit with former Legal residents.

Miss Sylvia Auger was showered with many beautiful gifts at a miscellaneous shower held in her honor on August 29 at the Legal Community Hall. The hall was beautifully decorated in soft tones of orange and yellow. Hostesses Angeline and Doris Auger had everyone going with fun games. Following the opening of the gifts Sylvia thanked everyone with well chosen words. A delicious lunch brought the evening to a close. Sylvia will exchange marriage vows with Ronald Boisvert on September 15.

ALWAYS READY TO HELP

Calahoo

By Liz McLeod

This happy group of citizens held two meetings in August at the Gazebo, well attended both times for the busy time just now.

There was discussion on going to the Game Farm as a group but with so much activity now nothing's been arranged as yet.

Thirty-two members attended the barbecue in Morinville August 24 and all enjoyed, along with the 220 present, the delicious supper and entertainment by Don Axford who brought greetings from Honorable Horst Schmidt, the Chalifoux orchestra, and the singer besides the wonderful fashion show from 100 years ago.

The recreation board are to be highly commended for the wonderful activity they have planned for the senior citizens of our MD this year.

Going through the arts and crafts caravan shows what can be done and was done by nimble fingers and creativity.

The whole evening was stacked with enjoyment, friendliness and fun.

Calahoo people enjoy variety of vacations

By Liz McLeod

This summer seemed to be the one to take a vacation and many from Calahoo and district did just that.

Myles and Daphne Kerr thoroughly enjoyed their trip to Toronto, visiting Myles' brother Bob, his wife Mary, nephews Bob and Bill Kerrs and families, besides Pete's family, Mrs. Helen Kerr and her children. Bill took them to Chatsworth where they enjoyed visiting with old friends and then on to see points of interest such as Nellie McClung's monument and on to Owen Sound, Meaford and Orangeville. In the three weeks they were away they stayed with relatives including sister Agnes Law and family. Daphne's Auntie Gladys enjoyed having Myles and Daphne for a visit and they also saw Martha Devolder besides getting a tour of downtown Toronto and many other points of interest Alex held the fort while they were away.

Mr. and Mrs. Carl Bergstreiser enjoyed a European holiday this year with brother Ed accompanying them.

Roy and Alice Schmermund travelled with Alice's sister Vera and Karl Schmermund to Ontario to visit with relatives and enjoy the scenery. Sister Ada and Oliver Schafer in Elmira were happy to see them and renew acquaintances since Ada came west in March. Enroute home they stopped in Saskatchewan for a day to attend the wedding of Bill Johnson.

Werner and Toni Christen with son Rudy and grandson Errol Verbeek, (Jim and Elisabeth's son), motored to Vancouver to visit their son Walter. The weather was good and they enjoyed their stay visiting other relatives and friends and also seeing Elaine Shenfield who is employed out there.

Mr. Joseph Freitag enjoyed a visit in the city with nephew, Hans and Marianne Lummer when he could also visit with Marianne's mother Mrs. Maria Knaup from Paterborn Westfalia Germany, and her niece Miss Petra Knaup who came for a five week holiday.

While here they were shown our beautiful Alberta on trips to Banff and Jasper and Calgary, besides going to lakes and visiting many friends.

The community was saddened by the news of Mr. Freitag being in the Royal Alex hospital presently and sends him get well wishes.

Club enjoys trips

The Last Round-up Club of Gibbons met August 23 with only 17 members present.

The afternoon was spent playing bingo, then lunch was served and roll call taken.

On August 13 some of the members had a grand trip to Long Lake which was enjoyed by everyone. It is a lovely place. A few games of cards were played followed by a sing-song and a big picnic lunch.

Quite a few members took in the stead barbecue at Morinville August 24. It was a wonderful evening. The steak supper was delicious and the entertainment was the best. Many thanks to all the people who went to so much work to put it on.

The fashion show was especially enjoyable, and the gentleman who got the crowd involved in singing. It was lovely.

The next meeting of the Last Round-up Club will be on September 13.

Victoors big winners at Calahoo Horticulture Show

By Liz McLeod

The flower and vegetable show in Calahoo August 22 attracted a total of 221 entries: 122 in vegetable classes, 93 flowers and si x in the childrens class. Due to wind, rain and frost damage there were not near as many flower entries as formerly, out the vegetable classes gave judge Mr. Tony Jansen a lot of decisions to make.

Unfortunately Mr. Jansen was unable to stay and comment on the exhibits as he had to leave before one o'clock with his family. This was a disappointment, but those involved were happy to have a number of 4H young people take in the show and tea.

There were four prizes given this year, thanks to the West Sturgeon Agricultural Society of Calahoo giving our Institute a grant, one each, for the highest points gained in flowers and vegetables, also a prize for the best flower arrangement and vegetable arrangement plus $1, 75¢ and 50¢ along with 1st, 2nd and 3rd prize in the childrens class and 25¢ each to the three others who entered.

When you have a green thumb, raise such great variety and work at gardening the way Walter and Mary Victoor do, its not hard to understand that all four prizes went to Mary Victoor.

In the childrens class of 6 to 12 year olds for wild flower arrangements, guess who got first prize? Ave Marie Victoor, Walter and Mary's daughter. Second prize went to our president's grandson Kelly McCann of Onoway, with third prize going to Mary's son Dale Toma. Russell and Shelley McCann and Martin Kaup made up the six children entering and they showed imagination and creativity in their displays.

The Calahoo Women's Institute and especially the flower show committee wish to thank each and everyone who entered for without their entries the show just wouldn't be, and for the interested folks who came to visit from 1 to 4 p.m. including the children.

It is an exciting experience when you get up early to pick the vegetables and this day the thunder and rain hampered things a bit but still and all its so worthwhile even if in haste one forgets to pick their prize tomatoes.

Mrs. Emelia Schmermund won the door prize.

Mr. Wally Klatt, D.A. for MD of Sturgeon was a welcome visitor also as were several gentlemen this time which shows that interest in this show is increasing.

Yvonne Brisson Weds Raymond de Champlain

By Lucienne Montpetit

Miss Yvonne Brisson exchanged marriage vows with Raymond de Champlain in a lovely afternoon ceremony Aug. 4 at St. Emile's Church. Father Roland Bissonnette performed the ceremony before an altar banked with baskets of multi-colored mums.

Yvonne is the daughter of Mr. and Mrs. Henri Brisson from Legal, Raymond is the son of Mr. and Mrs. Fernand de Champlain from Vimy.

Given away in marriage by her parents the elegant bride was beautifully gowned in spanish style outline with chantilly lace and pearls. Her dainty bodice of chantilly lace was of a rose design, with a ruffled chiffon skirt bordered with matching lace. Her bridal mantilla veil edged with chantilly lace was held by a delicate cut lace headpiece. She carried a bouquet of white orchids and yellow roses.

Jeanette Panich, sister of the bride was matron of honor, she chose a mauve mylon organdy floor length gown, with matching cape. She carried an umbrella decorated with baby's breath flowers. Bridesmaids Lilliane Brisson and Corrine Bergevin wore identical polyester eyelet lace over yellow nylon taffeta. They carried umbrellas decorated with yellow daisies.

MR. AND MRS. de CHAMPLAIN

Attending the groom were Bob Panich, brother-in-law of the bride, Don de Champlain brother of the groom and Danny Huot uncle of the groom. Ushering the guests were Raymond Brisson and Paul de Champlain. The wedding music was played by Ellen Bilodeau with soloist Mrs. Dolores Brisson.

Following the ceremony a banquet was held at the Legal Community Hall for some 280 guests with Marcel Montpetit acting as master of ceremonies. Mr. Paul Mercier presented the toast to the bride. Another 300 friends and relatives came in the evening for refreshments and dancing to the swinging music of the Cardinals.

To receive her guests, Mrs. Brisson was charming in her chiffon gown of coral and beige tones, with matching panels gently flowing from the shoulders. Her corsage was tinted coral roses. Mrs. de Champlin was lovely in her floral pink chiffon gown complimented by a corsage of tinted pink roses.

Out of town guests came from Prince George, Grimshaw and surrounding districts.

The happy couple are making their home in Legal.

WHERE FRIENDS ALL MEET

100 year-old pioneer recalls early days

By Norma Crozier

Open house was held at the home of Mrs. Clementina C. Ferguson of 11304 - 63 Street, Edmonton on Wednesday, August 22 to honor her on the occasion of her 100th birthday.

Recalling her experiences during her lifetime, memories are as vivid as the day they happened. "We came out here in 1884 by covered wagon from Calgary and it took two weeks because the animals couldn't move very fast. When they arrived in Edmonton, the sight that greeted the family was two stores, some holes in main street and a few tie-rings for horses.

After the family settled in the Sturgeon River district came the Riel Rebellion. "Not much happened here but they sure expected the Indians around here to join in. The government gave all men and boys guns, but you couldn't shoot the side of a barn with them," Mrs. Ferguson said.

With the threat of rebellion, the women and children were moved to St. Albert. "I wasn't afraid of the Rebellion it was all fun to us kids," she recalls. Mrs. Ferguson remembers the year prairie fires were so bad they drove the timber wolves down into this area. "The wolves got some of the animals, mostly dogs. I can believe they were driven down here by smoke because it was so bad, we had to light our lamps at 2 p.m., it was that dark."

Mrs. Ferguson was the first woman to drive a car in the Namao district and gave up eight years ago because no one would give her insurance.

Her recipe for living is simple, she advises, "getting up early, eating whats good for you, keeping busy and not worrying."

Mrs. Ferguson was born in 1873 in Meeford, Ontario She moved west with her family in 1884, by boat, train and covered wagon. In 1894, she married John James Ferguson of Sarnia, Ontario, in Edmonton, and they homesteaded in the Namao district. She kept the farm up when her husband died in 1930 and raised two boys and three girls.

In 1948, Mrs. Ferguson sold her farm and moved to Edmonton's Highlands district.

At the open house 95 friends signed the guest book which was looked after by great granddaughters Heather Stuart and Valerie Wall. She received many beautiful flowers and gifts and a birthday cake made and decorated by her daughter-in-law, Mrs. Evelyn Ferguson. Congratulatory messages were received from the Queen, Lt. Governor Grant MacEwan, Prime Minister Trudeau and Premier Peter Lougheed. All of her family were present to help celebrate her 100 years, they are Frank of New Westminster, B.C., Alvin of Edmonton, Mrs. Hazel Harrold of Athabasca and Mrs. Stella Bergstrand of Kamloops, B.C., 10 grandchildren and 14 great-grandchildren. Her eldest daughter, Mrs. Lola Muse, died in 1958.

Pelletier - Stone Wedding

By Lucienne Montpetit

Miss Evelyn Stone from Edmonton exchanged marriage vows with Ferdinand Pelletier from Legal.

Father Hesse performed the ceremony at St. Andrew's R.C. in Edmonton for the daughter of Mr. and Mrs. Fred Achtemichuk from Edson and the son of Mr. and Mrs. Albert Pelletier, Legal

The altar was banked with large vases of pink carnations and white gladioli. Wedding music was played by Mr. Steele and vocalists were Donna Steele and Wendy Fagervold.

The bride, entering with the groom, was radiant in her A-line gown of satin d'elegance. The dainty bodice, stand up collar and cuffs on her full sleeves were trimmed with lace. Her floor length veil edged with daisies was attached to a delicate lace crown accented with pearl drops and crystals.

The bridal bouquet was of yellow roses backed with wide white satin ribbon.

Matron of honor Marie Giguere and bridesmaids Charlotte Blair and Bernice Mercier were charming in blue nylon gowns featuring empire waistlines and short puffy sleeves. Their only jewellery, silver crosses, gifts from the bride. They carried nosegays of tinted blue carnations and white daisies.

Attending the groom were Maurice Giguere, Raymond Garneau and Martin montpetit. They were handsome in royal blue tuxedos trimmed with navy lapels, white ruffled shirts and matching bow-ties.

MR. & MRS. FERDINAND PELLETIER

Ushering the guests were Marcel Pelletier and Doug Meyers.

Following the ceremony a banquet was held at the Motor Inn for the immediate family. A dance and reception for some 300 friends and relatives was held at the Legal Community Hall with Gerry Langenberger, master of ceremonies, for the occasion.

Returning from their honeymoon in Vancouver and Victoria the couple will make their home in Edmonton.

Out of town guests came from Grande Prairie, Red Deer, Edson, Slave Lake, Montreal, Peace River and surrounding districts.

Gibbons Notes

Ron and Lynn Coley are pleased to announce the birth of their daughter Rhonda Lynn on August 13, 1973, weight 6 lbs. 6 oz.

Get well wishes to Mrs. John Elzinga in the Royal Alexandra Hospital, Mrs. Buster Morin and Harvey McLean and John Fraser at the Fort Sask. General Hospital.

Congratulations to Ren and Evelyn Gibbons on the birth of their daughter Irene Grace on August 21, 1973, weight 6 lbs. 11 oz. A wee sister for Shauna.

Sympathy of the district is extended to Mr. and Mrs. Harvey McLean and family on the passing of Harvey's sister Mrs. Jessie Thompson of Halifax, Nova Scotia.

Golden Agers take in barbeque

From August 6 to 11, 29 senior citizens enjoyed a bus tour through Southern Alberta. The trip was organized by the MD of Sturgeon Recreation Department.

Starting on a rainy Monday, the first stop was Drumheller. The weather hampered the sightseeing on the first day but after that the weather improved constantly.

Also visited, during the trip, were Medicine Hat, Cypress Hills, Lethbridge, Cardston, Fort McLeod, and Calgary. In all places, tours of the city or city highlights had been pre-arranged.

Perhaps the highlight of the trip was the welcoming the group received from senior citizens of Lethbridge and Medicine Hat. In Medicine Hat, the group was given a royal welcome. They were escorted into the hall by a kilted bagpiper and then treated to an evening of entertainment consisting of singing and dancing. Approximately 200 residents including the mayor of Medicine Hat were present for the welcoming.

With the success of this trip the recreation department hopes to plan more trips for next year.

Those people who took part in this year's trip are: Mr. and Mrs. W. Schneider, Mr. and Mrs. Logan Carleton, Mr. and Mrs. George Carleton, Mr. and Mrs. Miles Kerr, Mr. and Mrs. John Groppe, Mr. and Mrs. Steve Lamoureux, Mr. and Mrs. Pete Molofee, Mrs. Fay Middleton, Mrs. Pansy Davidson, Mrs. Elsie Williams, Mrs. Ethel Neilson, Mrs. Katie Davis, Mrs. Dale Putnam, Mrs. A. Lindberg, Mrs. Dorothy Daigneault, Mrs. Maria Rousseau, Mrs. Madeline Bauwens, Mrs. Bernadette Ouellette, Mrs. H. Houle, Mrs. Mary Verstraete, Mrs. J. Lema, Mrs. A. Desjardins.

MORINVILLE MEMOS

By Flo McGinnis

August 28 the senior citizens set out on their last 'planned trip' of the summer. Showers accompanied them all the way to Cross Lake, but it did not dampen their spirits as they had Romuald Detannacour to keep them happy! Some of the folks went fishing and Bill Rockwell saved the day by bringing in one fish while the others bragged about the "nibble" that they got. Senior citizens report that it was very interesting to see, at the Hutterite Colony (north of Westlock), the building used for butchering the fowl, In the bakery they were served delicious buns.

Don't forget the senior citizens "Quilt Raffle" that will be held at 8 p.m. on Sept. 19 at the Clubhouse. A whist drive, prizes and lunch will be the evening's entertainment. Regular Wednesday afternoon card parties will begin on Sept. 12. The action begins around 1 p.m. so all the senior citizens are invited to be on hand.

Registrations are being held for numerous activities and groups in this next week or two, so please mark all dates on your calendar so that you or your family don't miss out!

CUBS: Registration for Cubs will be held on Monday, Sept. 10 at 7 p.m. at the Morinville Recreation Centre. Parents only please! The boys are asked not to attend at the registration. There is a need for more leaders and group committee members for this new year. For further information please call George West at 256-3141.

GUIDES & BROWNIES - Attention Mothers! Registration for guides and brownies will be held at the Legion Hall on Tuesday, Sept. 11 at 7:30 p.m. Mothers Only! No girls are to attend at the registration.

CERAMIC CLUB: Morinville Ceramic Club is offering another course in hand crafting and glazing (six week course) again this year. The old members are invited to renew their memberships on registration night, Monday, Sept. 10 at the Clubhouse. You are invited to enquire further from Jean Chalifoux at 256-3562.

U.C.C. SUNDAY SCHOOL: The Morinville United Church will register children for their Sunday School classes on Sunday, Sept. 9 at 10:30 a.m. upstairs at the Rec. Centre. Any children from the ages of 3 years to 12 years will be accepted. There is a need for both junior and senior sunday school teachers this year! If you are able to assist please call Mrs. Maury Legge (Sunday School Superintendent) at 256-3296 or call Mrs. Linda Pifko at 256-3065.

Had a call from Toni Found the other day, and she brought to our attention a rather unusual item. If you have an astrology book maybe you can check out what 'should' happen. The Don Found family and the George Biddiscombe Family have a lot in common! Don's birthday is Jan. 26, and so is Joyce Biddiscombe's. Don's wife Doris celebrates her birthday on July 8, while Joyce's husband celebrates his on July 11! The Biddiscombe's wedding anniversary is on August 26th and the Founds' is on August 27th. Not quite so closely related are the sizes of the families. The Biddiscombes have eight children while the Founds have two.

On Sept. 10 and 11 the Morinville Lions Club will be canvassing the local residents door to door, taking orders for the 'Community Birthday Calendar' that they are setting up. The Lions also announce that they now have a new meeting place. Regular meetings will be held upstairs at the Recreation Centre on the second and fourth Mondays of each month at 8 p.m.

The Morinville Sports Association and Morinville Lions Club are holding the annual Harvest Fest on Nov. 17. Mark this date on your calendar and watch for further details.

Morinville Board of Trade regular meetings begin again after the summer recess. Monday, Sept. 10 at the Legion Hall at 6:30! Plan to be in attendance so that the new season may get off to a good start.

Several Morinville residents were recent patients in the Sturgeon General Hospital. Home again and on the mend are: Mayor Art Stapleton, Guy Meunier, while still in hospital are: Anne Kryskow, Ed Meunier, Pat Short and Art Lalonde. Speedy recovery wishes to them all.

The three young boys who were burnt in that fire recently are responding to treatment, but will be in hospital for some time yet. Lenny Gibeault, Todd Bland and Johnny McCormick are still in isolation, but their parents report that they are coming along well.

Mr. and Mrs. Terry Krauskopf moved Sept. 1st to make their new home in Kelowna, B.C. A farewell party was held August 31 at the home of Mr. and Mrs. Ernie Bokenfohr. Lots of luck to Terry in his new job as assistant manager at Rutland Esso.

Mr. and Mrs. Leonard Meyer had their share of company from B.C. within the last three weeks. First of all Bruce and Mary (nee Bolle) Campbell from Kamloops gave them the pleasure of their company. Then the following week Bruce and Diane (nee Montpellier) Duncan and their two children from Vancouver stayed with them off and on for over a week. They weren't gone yet when Mrs. Meyer's sister Mary and her husband Ben Montpellier came for almost a week. They took in two weddings while they were here, that of Lawrence and Mary Mcdonald's son Larry and that of Leo Franche and Doreen McLeod.

At Sunday School, Tracy was asked if she knew the story of Adam and Eve. "First God created Adam," she said, "then He looked at him and said, 'I think I can do better.' So, He created girls."

Morinville Home & School Meeting Set For Sept. 11

Morinville will soon have a Home and School Association.

For this purpose, an organizational meeting of all interested persons will be held in the auditorium of Georges P. Vanier High School at 8 p.m. on Tuesday, Sept. 11.

A committee of some parents and teachers has been busy laying the groundwork for the home and school association since last April. Under the chairmanship of Ralph Gaetz this committee has studied the constitutions and operation of many similar organizations in the province. It has also had consultations with the officers of the Alberta Federation of Home and School Associations.

"The proposed constitution of Morinville Home and School Association is the result of very intensive research and study by all members of the planning committee," said Mr. Ralph Gaetz in an interview. This draft constitution will be discussed and voted upon at the Sept. 11 organizational meeting.

Commenting on the constitution, Mr. Gaetz said, "Our constitution provides for a very wide base of membership. Anybody interested in the betterment of education in our community is eligible to join. Even some of the students will be able to become members of this association. The constitution provides for one home and school association for all three schools in Morinville.

Copies of the draft constitution are now available from the CPV School on request. "We would like all prospective members to study the draft constitution before the organizational meeting on Sept. 11," said Mr. Marcel Schayes, principal of the school.

Officers of the association will be elected at that meeting. A nominating committee is busy contacting possible candidates. Nominations can also be made from the floor of the meeting. Annual membership fee and the program and project for the year will also be discussed at the meeting.

Some officers of the Alberta Federation of Home and School Associations are expected to be present at the meeting. They will answer any questions regarding the association.

This is the first time in the history of Morinville that such an effort is being made. A very high turn out of all interested persons is expected.

Labonte- Gervais Couple United In RC Church

By Flo McGinnis

In a pretty afternoon ceremony on August 18, Yvonne Labonte, daughter of Mr. and Mrs. Lucien Labonte, and Marcel Gervais, son of Mr. and Mrs. Andre Gervais of Morinville, were united in a triple ring ceremony.

St. Jean Baptiste Church was the setting for the wedding ceremony, with arrangements of yellow, burgandy and pink snapdragons decorating the altar. Rev. Father Primeau officated, while Carmen Boissonnault was organist, with Irma Bulger as soloist.

Escorted down the aisle by her parents, the bride looked radiant in her white gown of nylon, featuring French lace bodice with square neckline and Juliet sleeves. Her traditional long veil, trimmed with French lace, was held in place by a bridal crown of daisies and pearl drops. The bride carried a bible with red roses and rosebud decorated streamers.

Bridal attendants Anne Marie Labonte (sister of the bride), Annette Gervais (sister of the groom) and Yvonne Marie Kieser (niece of the bride) wore identical gowns of pink crepe with burgandy boleros in velvet. They carried baskets of pink carnations with baby's breath.

The groom was attended by Gerry Marcoux, Dale Vranas, and Raymond Gervais (brother of the groom). Ushering the guests were Roger Labonte (the bride's brother) and Leo Gervais (the groom's uncle).

To greet her guests, the mother of the bride chose a blue dress in polyester crepe with matching short jacket, white accessories and white orchid corsage. Mother of the groom wore a formal gown in pink and white floral chiffon with white accessories and pink orchid corsage.

A banquet for some 145 guests was held in Morinville Recreation Centre where the unique wedding cake centered the head table The cake was a replica of a church with miniature bridesmaids and best men on the steps, while a tiny bride and groom stood in the doorway.

For the banquet, Laurier Labonte was master of ceremonies, with Michael Labonte giving the toast to the bride, and Rene Chevalier giving the toast to the groom. The groom was welcomed into the Labonte family by Laurier, while Yvonne was welcomed into the Gervais family by Annette.

Entertaining the guests were Ricky and Robert Labonte with their guitar and banjo; Diane and Raymond Gervais on piano and accordian; Irma and Eddie Bulger with vocal selections.

Later in the evening some 400 guests enjoyed a dance and midnight lunch. During the evening the bride's sister Marie announced her engagement to Gerry Marcoux, adding to the celebrations.

Out of town guests attending the wedding were from Ponteix, Assiniboia, Moose Jaw, Pambrem and Regina in Saskatchewan; from Wainwright and Calgary; from Fruitvale and Prince George in B.C.

For her honeymoon trip to Banff, Jasper and B.C., Yvonne donned a white seer sucker dress and jacket with navy and white accessories and red rose corsage.

Yvonne and Marcel will reside in Unity, Saskatchewan where Marcel is employed by the Beaver Lumber Co.

Here are some of the reasons:

"Sorry we are temporarily out of stock ..." a familiar message on shelves in our stores. The recent railway work stoppage has created a shortage in a number of supply items. With the railroad back in operation and the use of all available methods of transporting foods, we should soon have all your favorite products back on the shelf.

Increased costs and impulsive buying has been the cause of the recent flour and flour item shortages. The flour mills are now catching up on back orders and the deficiency will soon be resolved. Because prices have advanced on the world market on flour, prices of Pasta products have increased considerably. Rice and rice products have also increased in cost. As 1972 was a short crop year and storage levels are below normal, a severe shortage is causing this increase in rice prices.

Although sufficient stock is ordered to meet demands before we advertise an item, unexpected sales can cause us to run short. If this is the case, please ask for a "rain check". We will be happy to fill your order at a later date for the special price.

Library welcomes Pepper and Fudge

Squeals of delight may be heard in the St. Albert Public Library these days - but they are not necessarily coming from happy readers.

The library is proud to add two lively young guinea pigs to its growing collection. Pepper (he's the dark one) and Fudge (he's the other one) were donated to the boys and girls department by Mrs. York and family of 16 Gretna Place. They arrived complete with food, shelter and water and have taken up residence in the north-east corner.

Pepper and Fudge, one and one and a half years old respectively, invite readers to drop by Monday to Friday from 10 a.m. to 9 p.m. and Saturdays from 10 a.m. to 5 p.m. for a visit.

Library marks end of summer session

The St. Albert Public Library celebrated the successful completion of its first Summer Reading Club on Saturday, August 25 with a gala party for all participants. The club began with the conclusion of school in June. Throughout the holidays local youngsters were invited to read along with Snoopy, Charlie Brown and the Peanuts gang.

Our 200 avid readers joined the club and kept the library buzzing all summer as they read and had to report on over 1,000 books. The wind-up party was an opportunity to present diplomas to all those who participated throughout the summer. The keen showing will make this an annual library affair.

Weekend course in First Aid

A St. John Ambulance First Aid Course has been arranged for this weekend, under the direction of Pauline Vaugeois. It will get underway Friday evening at the St. Albert Parish Hall, with registration at 6:30 followed by the first session.

The course continues all day Saturday from 9 a.m. and will conclude on Sunday, with some four or five hours of instruction. While the course is primarily for the leaders of guides and brownies, it is open to all adults interested. Miss Vaugeois has been conducting the annual first aid course each fall for many years. She is fully qualified and the three-day course has had excellent response.

Group of families has fine weekend

A group of about 14 families from St. Albert United Church, including the family of minister Len Musto, enjoyed a wonderful Labour Day weekend at the Rundle Mission on Pigeon Lake.

For the very first time trailers and tent trailers were parked on the lawn at the mission and the Board of Directors is now thinking that this type of camping program for congregations at the Mission could be of real value.

The Rev. Dr. G. M. Hutchison, who now lives at Mission Beach, gave the group an address on future plans for the mission, along with an account of the history and background of Robert Rundle and others who have worked there with the Indians. Robert Rundle was the first missionary into this part of Western Canada, when he arrived in 1840. The exceptionally impressive and beautiful statue erected some years ago at the Mission was of particular interest to the visitors.

Swimming, boating, fishing and camping fun gave young and old a wonderful weekend with the weatherman co-operating unusually well.

"We're always interested to see what side effects these new drugs have."

Cheaper by the dozen!

$15 August Family Rate at the Mac.

Edmonton's most popular hotel presents fat-cat savings on weekend family rates. For the month of August only you can stay any Friday, Saturday, or Sunday night for only $15. And this special saving rate is good for single or double occupancy, and children share your room at no extra charge. The Mac will provide baby cribs on request, and even canned baby food service. Just ask.

You don't have to go far for fine food and entertainment either. The cosy Can Can piano-bar and lively Peppercorn dining room are just an elevator ride away. Or get in the swim, and splash down in the luxurious heated pool, for guests only.

Look ahead to fun, book ahead now — $15 Family Rate is good for August only. Clip Reservations Coupon and mail to:

ANNOUNCING DO-IT-YOURSELF L.I.P.

Your Local Initiatives Program is even more local.

This year, $83 million is going to be invested in helping people help themselves in their community.

If yours is a typical community, we're putting the "local" into the Local Initiatives Program by setting up a Constituency Advisory Group, or by having L.I.P. staff consult with already established groups. So now you help decide which projects will contribute most to everybody.

On the Constituency Advisory Group will sit a good representation from the community, including people active in community affairs, people from local government and social agencies, and L.I.P. sponsors from last year, all suggested by your M.P.

Your project could have up to $75,000 to work with, if your idea is a highly creative and innovative one.

To qualify for L.I.P. funds, your project must create not less than 15 man-months of employment. Workers with the skills required for your project must be available within your community. Project sponsors must hire all employees through Canada Manpower Centres. Deadline for applications is October 15th, 1973, though early submissions could result in projects starting as early as December 1st. In northern or isolated areas, projects could start as early as November 1st. Projects may be funded for up to six months.

There's Do-it-Yourself Business L.I.P., too, for companies which want to provide facilities or services for their communities. Projects are not to be related to business operations, and must create additional jobs.

All it takes is one good idea.

Applications available now
at your nearest Canada Manpower Centre.
